in 2020 we are

**#SVSMoreThanJustAShow**

September 4, 2020

**Celebrating Aging Through the Performing Arts**

## Greetings!

Did you know American Gothic was made in 1930? Well, Del Woodward (seen above) was made in 1920! Happy 100th birthday Del. You are a classic!

Every Saturday you can find a brand new performance or a favorite flashback from one of our 25 shows on Facebook

## Hint for our next featured performer.

88 keys and none will unlock the door - but this performer's style takes it all in "stride".

**We got some feedback!**

**What are you doing since Covid 19 showed up?**

I've been talking on the phone a lot, doing Tai Chi once in a while in our neighbor's driveway, and taking harp lessons!

You can send your quarantine projects and ideas to us at [storycountysvs@gmail.com](mailto:storycountysvs@gmail.com)

## Deep thoughts

Would you rather it be hot all the time or cold all the time?

Would you rather wear clown shoes every day or a clown wig every day?

Would you rather have a golden voice or a silver tongue?

Would you rather live in a cave or live in a tree house?

If you gave these serious thought, you are our kind of people and I bet you have creative ideas that may turn into a senior act! If you are at least 60 and have an idea of something you would like to share as a featured performer on our Facebook page just email [storycountysvs@gmail.com](mailto:storycountysvs@gmail.com)

## Social Media and Social Distancing

We had not heard of Zoom calls a year ago, and now SVS is zooming down the road with an Instagram account, updated website, as well our presence on Facebook.

## Email Envy

Do you know someone who would like these infomails? (I just made that word up.) We don't necessarily have emails for members of the larger groups that have been in a show, our fabulous audience fan base, or the kids, grandkids, friends, neighbors, and former accountants of our performers. Forward this to them and they can request being added to our list and getting the scoop on what SVS is up to.
